

General News

During the holidays we have joined the rooms up. Together we have been on trips to the Garden Centre to pick some seeds, to plant in our allotment and we visited the Bury College site for the Emergency Services day.

We planted our seeds in little plant pots and are excited to watch them grow! We went into our allotment to pick apples off the apple tree and the children helped cut them to make an apple pie. We have been learning how to bake a variety of different things this holiday like jaffa buns, biscuits, pies and many more...

The children have taken a keen interest in one of the books from the Farmers room 'Brown Bear, Brown Bear'. The children are so taken by the book that they are actually able to repeat it word for word and love looking at the pictures! The following week our topic was 'Favourite Books and Rhymes'. The children have enjoyed sharing their favourite books with their friends.

New Vision

We have a new vision for September:

'To provide opportunities to build home learning links and parental partnership to maintain excellent outcomes for children.'

Through this, we want to build on how you receive information from us about your child and their progress, how we find out about your child's interests and what they like to do as well as gaining your ideas of how we can better work together to achieve this goal.

You will also notice when you enter the entrance we have a new board to link with the updated vision. This board provides information on what we do as a nursery and ways we can support you and your child.

Please help yourselves to information packs inside the brown bags.

We would love to hear your ideas!

Staff updates

We are welcoming Nicky and Becki from Bury College!

Nicky will be in our Ducks room as Team Leader

Becki will be in Farmers.

SAVE THE DATE
