

# SCHOOL HOUSE

# NEWS FLASH

**OCTOBER 2022**

**In Lambs** we have enjoyed the Dear Zoo book over the past couple of weeks. The children have enjoyed focusing on a different animal a week and have linked this to their song of the week. They have been exploring different textures in their environment, using the fallen leaves from the garden to represent the jungle.

**In the Ducks** room the children have enjoyed learning about autumn and have linked this to the 'Leaf man' story. They looked at the leaves in their environment, collecting them in the garden and then added them to their activities in the room. The children enjoyed exploring different textures and colours of the leaves.

**In Farmers** the children have enjoyed learning about where fruits and vegetables grow, linking this to the hungry caterpillar book. We looked at the importance of self-care routines, why we wash some foods before eating them and where foods come from. We have also been practicing our colours and numbers using the fruit in the book and fruit tasting.

**In the explorers room** we have been developing our awareness of life in other countries and cultures, through the Handa's Surprise story. The children enjoyed learning about how different Handa's life was to their own, like how she carried the fruit on her head. We looked at homes in Africa and how different they were to ours, also linking in our snails who are from Africa.

**Thank you – we would like to thank everyone who attended our autumn fair. We raised an amazing £288 for our nursery charity, the RSPCA.**

**Also like thank everyone who has donated tins and packaged goods for the local food bank, please continue to donate.**

## Dates for the Diary:

**3RD OCT – WORLD SPACE WEEK**

Will be having fun learning about the different planets

**23RD OCT – DIWALI**
