

THE GABLES

NEWS FLASH

MAY 2024

LOOK WHAT FUN WE HAVE BEEN HAVING..

In the Farmer's room this month we had so much fun exploring our book with a hook 'Mad about minibeasts'. We have had our own bug hunts in the garden, enjoyed watching a snail race and we have also been looking after our nursery tadpoles, watching them grow and turn into frogs - We have now released them back out in nature!

We had lots of fun celebrating Eid! We made our own mosque using recycled materials, made, and hung lanterns and added fairy lights and beautiful patterned scarves. We enjoyed baking lots of different treats including moon and star biscuits decorated with icing and sprinkles!

The little lambs have enjoyed celebrating different festivals this month! We had our colour run for the festival of Holi, and made our own lanterns and Diya's using clay, decorating them with paint and glitter! We also had lots of fun during our Eid party, dancing to Bhangra music with our colourful scarves and having poppadoms and dips for our snack!

Thank-you so much to all parents who attended our bubble babies' class – it was so much fun!

In May we will be focusing on 'our bodies' including healthy eating, health and self-care, mindfulness and movement and our well-being and the effects of exercise on our bodies!
