LOOK WHAT WE HAVE BEEN DOING...

The children in the Lamb's room have been developing their visual skills, linked to their book with a hook 'Look'. The children enjoyed watching their own reflections in the mirrors, as they pat, reached and pointed to themselves. Staff mimicked their actions as they focused on the nursery rhyme, head, shoulders, knees and toes.

The Ducklings have been enjoying the 'Going on a Lion Hunt' Story, the children enjoyed hearing new words and sounds as they learnt about the different things they would see in the African Savanna. The children enjoyed going on lion hunts and pretending to be lions as they crawled around the garden hunting for their prey.

The children in Farmer's room have enjoyed the 'Huffalots' story. The children looked at their routines and practised self care routines independently. The children were introduced to their new signing in tree and enjoyed helping each other to hang their logs on the tree each morning and afternoon. The children also focused on their different emotions, practising how to express them effectively and developing a sense of awareness as they recognised themselves during mirror play.

Explorers – enjoyed celebrating Eid through the 'Hassan and Aneese' story, the children took the torches outside to look for the new moon. We looked at the Arabic alphabet and would like to say Thank You to Abdul-Kareem's mum and sister for coming into nursery to spend the morning cooking with us. The children got to make some chapatis with her and try her lentil curry once they were cooked.
