

# THE GABLES

## NEWS FLASH

**JUNE 2024**

### LOOK WHAT FUN WE HAVE BEEN HAVING..

We all had so much fun on 'Occupations Day!' We had some extra special visitors who came into nursery which included a local Firemen, who let us use the fire hose and showed us all of their special equipment and uniform. We also had a Policeman (Amelia's Daddy!) visit, who let us try on some police uniform and press the horn on his police car which set off the loud sirens. We had such a fun and busy day!

The Farmers have also been taking an interest in 'holidays' as lots of our friends in nursery have been on holiday. We have watched the live updates of planes our friends travelled on. We tracked our friend's Zara's plane all the way to Greece and we waved at her from the garden when her plane passed over nursery! We learn about how planes take off and land, and we have loved looking at everybody's pictures together.

The little lambs had lots of fun taking part in 'Sunshine Week!' (we even got some real sunshine) and had lots of fun playing outside together in the garden. We taught the children why we need to take rest from the sun, the impact it has on our body, and the importance of drinking lots of water.

### LOOK WHAT WE WILL BE DOING NEXT.....

In June we will be continuing to focus on 'our bodies' including healthy eating, health and self-care, mindfulness and movement and our well-being!
