

BURY COLLEGE

NEWS FLASH

JULY 2024

WHAT WE HAVE BEEN DOING...

In the Lambs room we enjoyed taking part in lots of outdoor play, exploring the natural environment, exploring our senses and looking at all the different flowers and bugs within the garden. Throughout the month we have taken sensory play outdoors using lemons and limes and different fruits and herbs to create sensory water baths.

A huge thank you to the parents that attended our sensory stay and play session. It's so lovely for you to come and see what we have been doing and meet all the staff members within the room.

Within the Duck's room we really enjoyed taking part in National sports week, we focused on the Euros and Healthy eating. Over the month we have done multiple obstacle races, football games and discussed our favourite sports and hobbies. We have also enjoyed looking at and exploring the different foods that make us healthy. We made fruit baths, chopping vegetables and smoothie tasting.

The Farmers have also been enjoying National sports day, taking part in various sports activities also linking to the Euro's. The children enjoyed looking at all the different countries that are taking part in the Euros and how we keep our bodies healthy through exercise.

Recently the Farmers have had a delivery of caterpillars which are growing well, the children are enjoying checking on them daily, and are hoping they are ready to be released when it's our graduation and party day.

LOOK WHAT WE WILL BE DOING...

Over the upcoming month we will be getting ready to say goodbye to our school leavers, we have our upcoming Graduation Day and our Leavers party, which all children are excited to celebrate. We are also looking forward to lots of summer fun, and welcoming our new children and parents who will be joining us in the new term.
