

THE GABLES

NEWS FLASH

JULY 2024

WHAT WE HAVE BEEN DOING.....

The Farmers have been learning about 'growing'. We created our own 'planting pod' in the nursery garden, and we now have potatoes, carrots, peppers, leek, and tomatoes. We have been watching them grow and tending to them every day by giving them water and special plant food!

We had lots of fun celebrating Healthy eating week (Thank-you to everybody who joined in with our challenge and brought in fruits from home)! We made fruit smoothies, juicy fruit skewers, orange crunch biscuits and banana bread – it was all so yummy!

The children in the Lamb's room have enjoyed taking part in sports activities for sports week including the egg and spoon race and throwing the hoops in the tyres which they really enjoyed doing. We enjoyed a Teddy Bear's picnic in the garden with our teddies from home! We have also been planting for our outdoor area and the children have been looking after their own plants which they now water each day.

In July we will be focusing on 'signs of summer' including, 'flora' and 'fauna' and growth, decay and changes over time. We are hoping to expand our nursery planting pods and add lots of new plants, flowers and vegetables to grow!

Dates for the Diary:

THURSDAY 11TH JULY – MINDFULNESS FOR PARENTS
