NEWS FLASH

JULY 2024

LAMBS

We have enjoyed looking at different forms of transport and how they move, linked to the Row, Row Your Boat story. The children enjoyed exploring boats in water and foam, rolling the cars down the ramp and into the sand and making up their own version of the Row, row your boat nursery rhyme.

DUCKS

The children have enjoyed the Gruffalo story. They have enjoyed making the different food from the story, and used moon sand to make Gruffalo crumble and their own owl ice cream! The children enjoyed retelling the story as they looked for the different animals hidden around the garden. Thank you to Zaviyar for bringing his Gruffalo teddy in and Klay for sharing his book and puppet with us.

FARMERS

The children have been exploring the Gingerbread Man story. They enjoyed role playing as they made their own gingerbread man in the home corner. We then baked a real gingerbread man, which the children enjoyed eating as they pretend to be the fox in the story. The children looked at their facial features comparing them to the gingerbread man and enjoyed drawing around each other while drawing outlines of each others bodies.

EXPLORERS

We have been enjoying lots of physical activities linked to the start of the Euros. The children enjoyed playing football, they learnt about other sports such as golf, tennis and basketball. The children have also had a new update on our sponsored dog Albus, who has been out training in unfamiliar environments. This inspired us to role play, as we guided each other around the garden taking on the role of Albus.
