

BURY COLLEGE

NEWS FLASH

SEPTEMBER 2024

WHAT WE HAVE BEEN DOING...

The children have really enjoyed spending lots of time together during the summer holidays saying goodbye to our friends leaving for school and welcoming lots of new friends into our nursery. We had a fabulous week celebrating our pre-school graduation. We have also enjoyed looking after our plants and our butterflies, which we released when they were ready. We took part in lots of football games following on from the Euros. We spent the summer getting involved in water play, lots of sensory play, den building, physical play and sharing lots of different stories whilst enjoying the sunshine. Over the last few weeks, the children have also really enjoyed learning all about different destinations around the world, holidays and all the different ways we can travel. A very popular holiday this year has been camping. We have spoken about our favourite places to visit, and shared lots of holiday pictures and memories. Please keep sending your holiday and summer pictures through and thank you to those who already have.

LOOK WHAT WE WILL BE DOING...

In the upcoming weeks we will be welcoming lots of new children and their families into our nursery. Our focus will be on "all about me" and "what's new." This will incorporate lots of keyworker group times to help everybody settle into nursery as quickly as possible. During keyworker group times we often talk about our families and use of family books, so if you have any updated family pictures, please can you send them over via parent zone or email. We have lots of dates for the diary over the upcoming months and our first one will be our School readiness/ internet safety workshop on Wednesday 18th September, and this will cover how to help prepare children for school. Our last school readiness workshop was a great success and really gave parents an insight of how to prepare and what to expect.
