

DORSET DRIVE

NEWS FLASH

SEPTEMBER 2024

LOOK WHAT WE HAVE BEEN DOING...

We ended this School year with our graduation ball where we celebrated all the children moving on to school. We wish all the children the best of luck in their new adventure.

Over the summer we have been looking at lots of different books to support the children's learning and following their interests. We have started with a story all about rainbows and colours to focus on colour recognition for all ages. The children have enjoyed rainbow ice cubes, painting tracks outside on the bike area and creating their own rainbows. Outdoors we have been enjoying lots of water play using the gutters and different containers to fill and empty with bubbles and different colours for colour mixing.

As we developed our gardening area we learnt about varying food, where it comes from and how it grows as the children have been enjoying looking after our vegetable patch in the allotment. Following our grandparent's morning we now have our own courgettes, potatoes, lettuces, brussel sprouts and cauliflowers so we are very proud of how successful this has been and have booked future dates in to keep this going.

LOOK WHAT WE WILL BE DOING...

In September we will be learning about the importance of self-care and looking after ourselves such as brushing our teeth. We will be looking at our daily mindfulness sessions and reintroducing forest school sessions with the pre-school children. It will be the start of Autumn so we will be learning about the changing season and watching the trees in the garden as they lose their leaves.

Dates for the Diary:

3RD SEPTEMBER – NATIONAL SKYSCRAPER DAY

We will be building lots of sized buildings, please bring in boxes from home.

9TH SEPTEMBER – NATIONAL TEDDY BEAR DAY

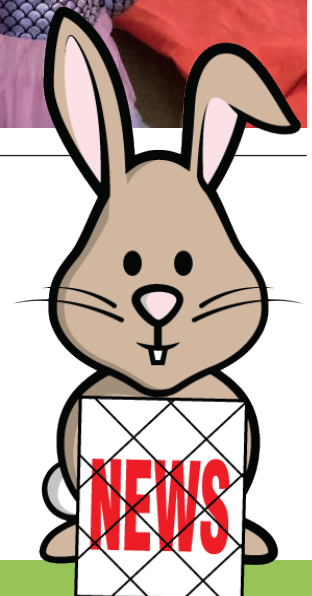

Bring in a teddy for our picnic.
