**SEPTEMBER 2024**

## FARMERS AND DUCKLINGS

The summer break is slowly coming to an end, and it is nearly time to start a new term with all our new and old friends. In preparation for the new term, we have made some changes in the rooms and are coming up with a plan on ways we can support all our children with their development. September is a time for the children to experience and observe many changes in the environment and in their lives from new faces to changes in the seasons. So throughout the month we will be focusing on getting to know the children so that we can learn the best ways to support them in all areas of their lives. We want to take the children on a journey and would like the support of parents with our recycling centre in our entrance.

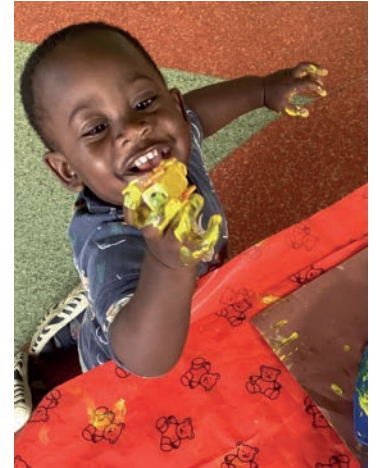

Please could you bring in some of your recycling as we want to encourage repurposing different items and expanding our gardening centre.

We would like to take this opportunity to inform all parents of a couple of changes we have made in the nursery. Gift will be moving to the Ducklings room as a team leader and Keeley will be moving up to the farmers room as their team leader.

## LAMBS

The lambs room have enjoyed exploring outdoors over the past couple of weeks, and we have been focusing on a different colour each week and exploring the colours in different aspects, from tasting to searching and also smelling. Our lambs have been on a journey to see what we can find around the nursery, and we explored the different colours in the different areas of the nursery. We found a lot of our lambs enjoyed transporting the different objects from one space to another. For the weeks to come we are excited to meet our new friends and help them settle into the nursery but also work alongside our parents on the different topics we can explore. Please feel free to drop us an observation on iConnect with what your child's interests are at home is so we can incorporate them into our planning.

The lambs room would also like to take this opportunity to introduce Kelsie and Miriam to the parents. These staff have had the pleasure of meeting most of the parents and have settled into the team well. Kelsie and Miriam have transferred from our Gables nursery.

## BIG NEWS

Lillian will be starting Maternity Leave in September, we wish her all the best and can't wait to meet baby number 2.

Nadia Salim will be managing the site in Lillian's absence.

## DATES FOR DIARY
