

THE GABLES

NEWS FLASH

JULY 2024

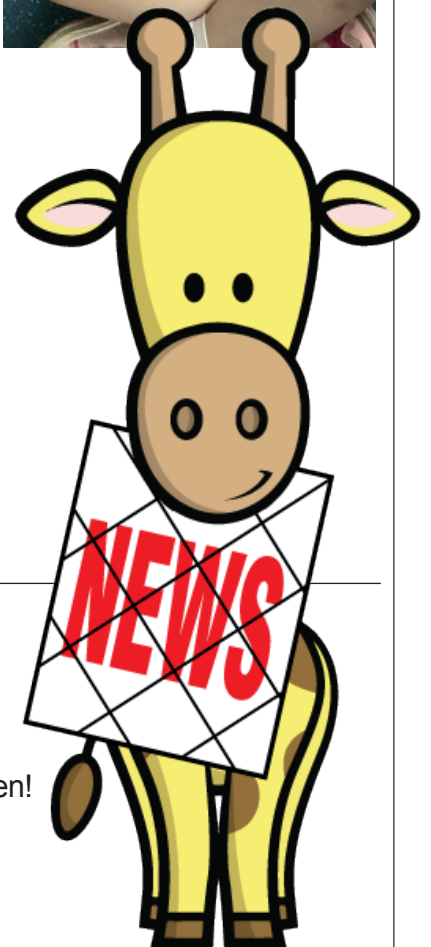

LOOK WHAT FUN WE HAVE BEEN HAVING...

Throughout July and August, the Farmers have enjoyed learning some new music and movement songs 'clicking on our sticks' and 'shake my maracas'. Thank you to the parents who joined in with our challenge to help your child decorate sticks at home to use during these sessions. We have also enjoyed planting in our garden. Some of the children helped to replant our pots and hanging baskets for the car park and around the front of nursery, and all of the Farmers have enjoyed following our potatoes grow; from planting them to boiling and eating them for snack. We will be ending the month celebrating our school and pre-school leavers, holding a mindfulness graduation party to say goodbye and good luck!

All of the children in nursery enjoyed taking part in sports day, working as teams during lots of physical activities, including tyre roll, egg and spoon, crab walk, relay and the wheelbarrow race. We had so much fun!

The little lambs have enjoyed 'lullaby lambs' which is a musical session we have introduced into our routine. We learnt new and exciting songs and carried out classes following different themes and invited parents to join in. We created song bags linking to our favourite songs such as 'flying babies', 'the pom pom shake' and 'together we bloom'.

In September we will be focusing on settling in and attachment, supporting all of our new starters into the setting and working with parents. We will also be focusing on 'our community' making links with our local neighbours and working together on community projects including 'Taylor park' and a community library.

Dates for the Diary:
