

SCHOOL HOUSE

NEWS FLASH

SEPTEMBER 2024

LAMBS

The children have been taking part in lots of colourful sensory activities, linked to their colour book. We explored jelly, gloop and lots of coloured water to keep cool in the sunshine. We enjoyed exploring the different textures during tummy time and used our hands and feet as we walked through paint, mud and floor, watching the marks we left behind.

DUCKS

We have been enjoying lots of baking activities linked to the 'Lets Cook' story. The children enjoyed taking part in lots of role-playing activities, as we learnt about the whole process food goes through during cooking, from washing our hands, mixing and pouring the ingredients, to turning the oven on. The children made their own jam tarts, pizza and cakes for pudding.

FARMERS

The children have enjoyed the 'Hare and the Tortoise' story, which was linked to the nursery Sports Day Event. They took part in lots of traditional sport day activities as well as some new ones, we held egg and spoon races and the sack races. The children enjoyed helping each other during the games which supported the development and understanding of social skills, they practised taking turns, counting down until it was their go and encouraged each other.

EXPLORERS

We had a lovely end to our pre-school year with an amazing graduation ball where we all got to say goodbye to each other. Over the last few weeks of term, we have allowed the children to lead the topics and activities. The children have shown an interest in the environment around them and birds in particular. The children made their own bird feeder and have been using the plants and trees to make marks and collages with.

Dates for the Diary:

SATURDAY 31ST AUGUST – PLAY AND STAY

10 till 12 – you will get the opportunity to visit your child's new room and meet the key staff.
