

BURY COLLEGE

NEWS FLASH

NOVEMBER 2024

WHAT WE HAVE DONE...

Firstly a huge thank you to all who attended and supported our Halloween stay and play session. Everyone had a fantastic time and we managed to raise £86.00 towards our chosen charity RSPCA.

Throughout the month within all rooms, we have been learning all about autumn. All the children took part in lots of Autumn activities such as nature hunts, leaf printing and sharing our homework bags that have been brought back into nursery from home. We used our senses to explore the leaves and listened to the crunching noises they make, we then compared these with the noises they made when wet.

The children within the Ducklings and Farmers room have also enjoyed learning all about space following on from International Space Week. We looked at all the different planets and enjoyed carrying out different scientific experiments.

WHAT WE ARE DOING NEXT...

Over the couple of months across the nursery will be exploring colours and safety through bonfire night/ fire safety week, nursery rhyme week and healthy teeth/smile week. We will also be learning all about Christmas and getting into the Christmas spirit with lots of our fun Christmas activities.

Dates for the Diary:
