

EDINBURGH WAY

NEWS FLASH

NOVEMBER 2024

LOOK WHAT WE HAVE BEEN DOING...

In the Farmers room recently we have been working on helping the Farmers to regulate their emotions. We introduced our emotions suitcase, the suitcase includes a feeling cushion, colour monsters, emotion books, sensory bottles and some sensory toys. The Farmers all enjoyed helping make the sensory bottles and packing the emotions suitcase. This is placed on the carpet and is accessible throughout the day for the children to be able to explore and talk about their feelings. We have also introduced the proud cloud. The farmers have loved the proud cloud as it has been used to show-case when they have done something WOW in the room.

In the Ducklings room we have spent time learning about the Autumn season. We have had fun exploring foods such as pumpkins and apples. We opened up pumpkins and explored the gooeyness inside. We transferred our messy trays into the mud kitchen outside where the children spent long periods of time getting messy, role playing and helping each other create dinner using spaghetti and the sand. The children have enjoyed taking part in bug hunts and finding hidden spiders in the messy trays. The little lambs have been enjoying exploring the change in weather.

We have been working with the children to explore our senses through play and incorporated activities each week for touch, smell and sound. We linked this into our forest school day which was enjoyed by all the children. We have had lots of fun exploring pumpkins and leaves while learning about the change to the weather and we especially enjoyed our dress up Halloween party.

BIG THANK YOU

Thank you to all those who attended 'Social Saturday'. This was an opportunity for parents to experience the children's nursery routine.

WHAT WE WILL BE DOING NEXT...

We will be learning about keeping ourselves healthy and how to care for our teeth. Our question of the month for November will be 'Is your child registered with a Dentist?' We will be posting more information on ParentZone.

DATES FOR DIARY
