

DORSET DRIVE

NEWS FLASH

January 2025

LOOK WHAT WE HAVE DONE...

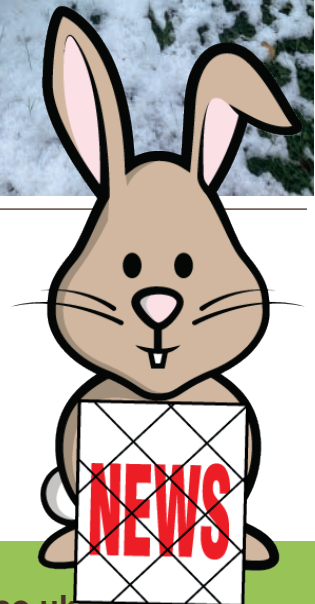

In November Little Lambs have enjoyed exploring in the snow in the Garden. We had a range of themed activities such as flower exploring and looking at winter colours. In December Lambs have enjoyed learning new Christmas songs and looking at our Christmas story books.

They took part in Christmas crafts such as card making and painting. Lambs have also taken part in lots of baby mindfulness and baby massage in the sensory room using soft lighting and relaxing sounds.

Throughout November and December in the Duckling's room we have been exploring the change weather and season, we explored different autumn animals and made a home for a hedgehog that we built using a cardboard box and newspaper that we placed in our woodlands area outside. We also enjoyed learning about different spiders following the children's interest. The children went on spider hunts, enjoyed getting messy and made lots of handprint spiders on a large-scale spider web. We had a stay and play which was a huge success and we want to say a big thank you to everyone who attended.

In the farmers room throughout November and December we have looked at different book such as 'Handa's surprise' to build on the children's knowledge and understanding of culture, traditions and investigated different parts of religions such as celebrations, clothing and music. The children took part in food tasting, dancing to music, and looked at different countries on a globe.

We followed on from this and looked at a book called 'We're all one big family', the children took part in a range of activities celebrating ourselves and our families, such as looking at our family members, different houses, family traditions and things we celebrate at home. During December the children have joined in with lots of different activities, making cards, decorations and reindeer food. They also have enjoyed the different activities such as singing new Christmas songs, handprint Christmas trees and making hats to wear for our Christmas dinner and party days.
