

THE GABLES

NEWS FLASH

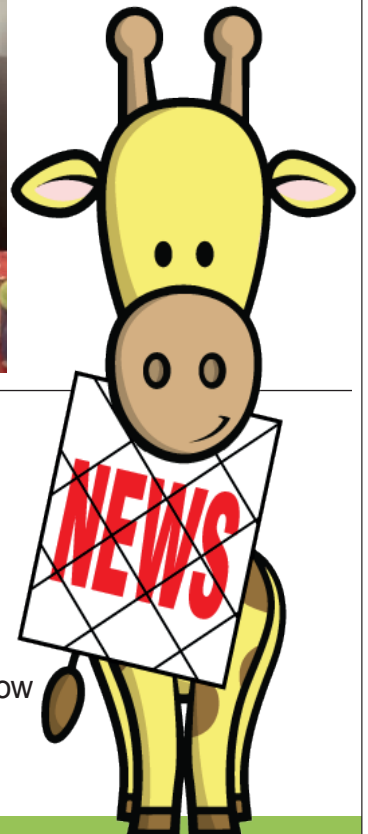

January 2025

A VERY JOLLY JANUARY!

The little lambs have been enjoying lots of activities and events linking to Christmas. We have held keyworker classes for children and parents to join in with, and have had lots of fun decorating Christmas biscuits, Christmas crafting and a Christmas sensory class! The little lambs have been busy crafting for Christmas and joining in with our Christmas Party, visits from peppermint the Elf, and our Elf workshop day!

The children enjoyed taking part in a wedding day at nursery! The children dressed up, walked down the aisle, took their first dance, sat down for their wedding meal, had snacks of delicious strawberry milkshake and a shortbread biscuit and had a party! Some of the ladies even brought their own wedding dresses and jewellery to show the children. We had a fantastic day and most importantly the children had so much fun and couldn't stop talking about it for days!

We had lots of fun doing Christmas activities at nursery and also provided a party day with lots of treats, an Elf Workshop day and a lovely cosy Christmas mindfulness day. Thank you to everybody who attended the Farmers 'Merry Little Christmas Carol concert' the children were amazing and we are SO proud of them! In January we will be welcoming lots of new friends into our setting, and supporting their transitions through planned key-worker events and classes for parents.
