

SCHOOL HOUSE NEWS FLASH

January 2025

LAMBS AND DUCKS

The children have been exploring lots of different textures and festive heuristic baskets. They have enjoyed exploring and making their own snow, coco gloop sensory trays and sensory Christmas stories. The children had lots of fun decorating their own Christmas trees, as they preferred to take the decorations off the tree and spent time exploring the different baubles and tinsel. Thank you to all the parents who came along to our Christmas craft morning. It was lovely to see the children and parents join in with the various activities.

FARMERS AND EXPLORERS

The children have enjoyed exploring the weather, using their senses to explore lots of different textures such as ice and water. The children had lots of fun seeing what mischief their Elf had been up to each night and taking part in the activities and games he had left behind for us. The children took part in lots of fun mark making activities as we wrote our Christmas lists and had fun making lots of keepsakes for your Christmas trees at home.

Thank you to all the parents who attend our afternoon tea with the Grinch, where the children sang Christmas songs to their parents, which they have enjoyed learning all month. They got to take part in different craft activities, and we had a visit from the Grinch himself over tea.

A HUGE thank you to everyone who donated to our shoe box appeal. The children enjoyed dropping them off at the carers across from nursery and placing them under their Christmas tree.

Dates for the Diary:

20TH JANUARY – BIG GARDEN BIRD WATCH

29TH JANUARY – CHINESE NEW YEAR
